

July 24, 2023 2:00 p.m. – 3:30 p.m.

1

## Background

- Huey and Angelina Wilson Foundation is a private nonprofit foundation created in 1986 and began grantmaking in 2000.
- With 5 full time staff, the Foundation has granted over \$68 million in support to nonprofit programs and projects in the Capital area.
- o Focused on:
  - o Basic Needs
  - o Healthcare
  - $\circ \ Education$
  - o Prison Reentry

### Background

- o Summer 2019, Huey and Angelina Wilson Foundation embarked on a journey to create a new strategic plan.
- Shifted the grantmaking process from a more traditional, responsive framework to one focused on proactive investments.
- Centric to this shift is a strategy focused on place-based investments using the proven Purpose Built Communities (PBC) model:
  - o Housing
  - o Education
  - o Community Wellness
  - o Economic Vitality

3

### Workshop Objectives

At the end of today's training, participants will:

- o Be able to identify how their work contributes to the goals of the Empower pillar.
- o Understand the components of a successful application.
- $\circ\,$  Identify strong evaluation measures for each focus area.
- o Understand next steps and overall application timeline.

Δ

#### Our Goals

Through the Empower pillar, Huey and Angelina Wilson Foundation will serve as a catalyst for **place-based collaboration** focused on improving outcomes for children and families.

The goal is to support grantees that help residents and communities get the support they need to achieve **long-term**, **sustainable change**.

5

### Our Approach

Place-based philanthropy describes an approach that targets a specific location—be it a **block**, **neighborhood**, **or community**—upon which to focus resources and make a transformative impact.

Huey and Angelina Wilson will work alongside residents to focus its grantmaking efforts on a three-square mile radius in the 70802 ZIP code.

## Our Approach

#### Four types of investments:

- 1. **Direct Service** (Program Support)
  - o New or existing programs that make positive gains for participants.
- 2. Partnerships & Collaborations
  - o Formal partnerships, coalition building efforts and/or continuums that strengthen collaboration.
- 3. Systems Change
  - Awareness, research and advocacy efforts addressing community issues of concern that result in changes to policy or practice.
- 4. Capital
  - Building purchase, construction, expansion, renovation, and/or land acquisition.

7

# Grant Guidelines

### Prospective Partners

#### Successful applicants for this pillar will:

- Be physically located in and/or have programming that intentionally and directly benefits individuals and families in the area of impact.
- Value community engagement. Organizations must demonstrate they are prioritizing resident voice and doing projects "with" rather than "to" the community.
- o **Demonstrate effectiveness**. Be a registered 501(c)3 nonprofit organization that has the capacity to carry out the proposed work and have the appropriate evaluation measures in place.
- Address one or more of the Empower focus areas of housing, education, community wellness, and economic vitality.

9

### Geography

The Foundation will support programming that serves and prioritizes neighborhood residents and centers their voice and vision in approach and outcomes.

#### Boundaries of this area of impact:

- o Choctaw Drive to the north
- North Street to the south
- o North 15th Street to the west
- o North Foster Drive to the east

## Geography

The area of impact is marked by a **strong sense of culture and community** that is guided by gifted local leaders and longtime dedicated residents.

#### Neighborhoods located in this area of impact include:

- o Northdale
- o Eden Park
- o Easy Town
- o Fairfields
- o Greenville Extension
- o Belfort/Belfair

### Geography

A blend of both **historic and new institutions** are in the area of impact and create unique educational opportunities.

### District and Charter schools located in this area of impact include:

- o Capitol High School
- o Capitol Middle School
- o Capitol Elementary School
- o Park Elementary School
- o New Horizons Head Start
- o Madison Prep

13

## Housing

Safe, secure and affordable housing leads to better education, employment and health outcomes and increases generational wealth building opportunities for families.

**Examples of programming the Foundation will support include:** 

- o Homeowner education
- o Down payment assistance
- o Housing development and critical repairs
- $\circ\,$  Risk reduction/home hazard mitigation
- o Energy efficiency
- o Landlord engagement and education
- o Heir property initiatives

### Education

Access to quality education from birth to college, career, and beyond reduces economic inequalities and powers prosperous communities.

Examples of programming the Foundation will support include:

- o Quality out of school time (OST) opportunities
- o Literacy supports/Tutoring
- Youth mentoring
- o Teacher trainings and certifications
- o Internships/apprenticeships
- o College preparation

#### Evaluation Outcomes Measures Kids have quality • Number and percent of high quality affordable early education childcare slots experiences Number and percent of • Improved academic children enrolled in performance high quality childcare Opportunities for • Reading/math scores affordable out of Number and percent of school time for slots for affordable after youth and teens school/summer care

17

## Community Wellness

Families cannot thrive if they lack access to essential services, recreation, or are persistently exposed to unsafe living conditions.

Examples of programming the Foundation will support include:

- o Food insecurity
- o Parental resources/advocacy
- $\circ \ Public \ safety$
- o Access to physical and mental health services
- o Family counseling and case management
- o Drug rehabilitation
- o Blight reduction
- o Healthy lifestyle programming

## **Economic Vitality**

A vital economy is one that includes strategies to increase workforce pathways, build assets, and stimulate opportunities for economic growth.

**Examples of programming the Foundation will support include:** 

- o Entrepreneurship
- o Adult literacy and education
- o Job training and placement
- $\circ \ Small \ business \ development$
- o Attracting neighborhood-serving restaurant and retail
- o Financial education and planning

#### Considerations

The Foundation reviews each proposal with respect to available funds and responses to three overarching questions:

- 1. What will be the results from this project and how will we know when those results have been achieved?
- 2. How likely is it that this applicant can achieve the results they are proposing?
- 3. Is this the best possible use of Foundation funds given other opportunities before us?

23

#### Investments

- 1. Initial Empower investments will be made in one-year increments.
- 2. Average Wilson Foundation grant amount is approx. \$40,000.
- 3. Partners will be expected to submit mid year and final reports.
- 4. Opportunities for additional support will be provided to partners who make meaningful progress toward Empower goals.

## **Applications**

#### **Two Step Application Process:**

- 1. Prospective program partners are invited to submit a short Letter of Intent (LOI) with a submittal deadline of **5:00 p.m. August 1, 2023.**
- 2. Organizations that successfully submit an LOI and are selected to submit a full grant application will be notified via email by **August 9, 2023**.

### Letter of Intent

#### **Organizational Information**

- Key Contacts
- o Mission and History
